Dear Parent / Carer

## **OFSTED REPORT – ‘GOOD’ IN ALL AREAS**

I am delighted to share with you the Ofsted report from our recent inspection. For those of you who know the school and its journey, and for those of you who work in education, you will know how long we have waited for this and how much this means to us all. The school has been *good* for a long time, but it is truly wonderful to have this finally recognised by Ofsted and in such a hugely positive way. The students, the staff and the community have an educational establishment of which they can be truly proud and this report highlights many of the ways in which we can celebrate this.

We hope you enjoy reading it and that you see in the narrative of the report the elements of South Dartmoor Community College that you know and value.

Thank you once again for your continued support.

Best wishes

Mrs J Veal
