*Empowering everyone to be the best they can be.*

18 October 2024

Dear Parent / Carer

## **PLYMOUTH UNIVERSITY TRIP**

We are excited to inform you about an upcoming educational trip to Plymouth University on Wednesday 27 November. This trip is a fantastic opportunity for our students to explore higher education options and gain insights into university life. Students who are studying Fine Art, Graphics, or Photography will have the option to visit Plymouth Art University instead, allowing them to experience a more specialised environment that aligns with their interests.

This trip follows a series of assemblies led by Post-16 providers and comes after the first set of mock exams. It is part of our ongoing efforts to support students in taking the next steps on their educational journey. This is further to the 1-1 careers appointments that students are having with Mrs Randell.

**The trip is free of charge; however, we do require consent via ParentPay by Friday, 8 November.** On the day of the trip, students will be transported by bus, departing from the school at 9:00 AM. They will spend the morning at the university and return to school by 1:30 PM, in time for lunch. Please note that students are not required to wear school uniform on this day.

We believe this experience will be highly beneficial for our students and encourage all to participate. If you have any questions or need further information, please do not hesitate to contact us.

Thank you for your support.

Best wishes,  
Nathan Cox  
Assistant Headteacher
