Empowering everyone to be the best they can be.

18 November 2024

Dear Parent / Carer

RE: Masterclass Sessions 2024 – Graduation Ceremony

I am writing to invite you to our first graduation ceremony for the Masterclass Sessions 2024 on Thursday 12 December. This will take place in the Sixth Form Centre and will run from 5.00pm – 6.00pm.

As you know, your son / daughter has been part of our year long scholars' programme, aimed at the most able students; those who are driven to achieve excellence, who have a passion for learning and a hunger for knowledge. The activities are now coming to an end, and we are very much looking forward to sharing some of the wonderful curriculum experiences that students have had outside of the normal Key Stage 3 programme of study.

The evening will include student led presentations for each session; Biochemistry, Psychology, Politics, Classical Civilisations, Latin, Quantum Physics, Sociology and Leadership. Students will have the opportunity to show case the work they have been doing and how the programme has enriched their learning in an enjoyable and scholarly manner.

This will be followed by a short formal presentation, with graduation certificates for each student.

We are very much looking forward to welcoming you to the Graduation Ceremony on Thursday 12 December at 5pm in the Sixth Form Centre and would appreciate you completing an attendance slip, via the link below, in order for us to provide refreshments.

Best wishes

John Bradford
