Dear Parent / Carer

A-Level Support Material

To support our students in preparing for their A-Level examinations we recommend they buy a CGP revision bundle including a workbook, a revision guide and a set of 128 revision cards.

Since schools have access to a discounted cost through the Library Service, we can offer this bundle at the reduced price of £21.50.

If you are interested in purchasing this bundle with us, please register your interest with us by returning the slip and paying for the bundle via Parent Pay by Monday 9 December.

Kind regards

Mr Ethan Merrington-Pink
