Empowering everyone to be the best they can be.

6 January 2025

Dear Parent / Carer

Science Revision

I am writing to you as we approach our science mocks in February. We would like to offer your child some more bespoke support for their science revision. We feel that your child would benefit from the opportunity to review core knowledge, practise exam techniques and to ensure that they are mastering the revision strategies required to prepare for these mock assessments. To help your child succeed, we are offering sessions after school on a Thursday 3:10-4:10pm. They start from 9 January.

We strongly encourage your child to attend these sessions each week. They will be a great opportunity for your child to receive personalised attention from a science teacher and to clarify any areas of confusion or difficulty.

We look forward to seeing your child unless you've informed us otherwise
kmccarthy@southdartmoor.devon.sch.uk.

Kind regards
Mrs Kerri McCarthy
