10 January 2025

Dear Parent / Carer

YEAR 11 English Invitation

I am writing to inform you that your child has been selected to receive targeted GCSE English intervention. They have been chosen following a recent review of student progress against targets and data analysis. We believe that this targeted academic support will have a positive impact on their progress and attainment in GCSE English next summer.

The sessions are by invitation only and will be taking place on a Tuesday lunchtime from 1:35 – 2:05 pm in English, with Mrs Chambers in B5. These sessions will start on Tuesday 14 January.

These sessions are for students who may have gaps in their knowledge and it is an opportunity for students to develop their understanding and have small group tuition. Students will be working on targeted topics or areas of the exam that they need to improve on.

I hope that you welcome the intervention and will give us your valued support. Should you have any queries concerning the arrangements please do not hesitate to contact Mrs Chambers via email: Kchambers@southdartmoor.devon.sch.uk.

Yours sincerely

Jennifer French
