Empowering everyone to be the best they can be.

5 February 2025

Live Sessions 2025

We are fast approaching Live Sessions, an evening of student led music on Thursday 13 February at 6.30pm in the College Hall. I am pleased that your child has chosen to be involved and I am making contact to outline our final arrangements.

The stage is being built today and Sound Checks will run from Friday 7 February. A schedule of all Sound Checks is displayed in the Music block and has been shared via a notification on Class Charts. Where possible these are taking place during the college day; please ask your child to check the information carefully to ensure they are both prepared and present for their sound check.

Many parents enjoy the opportunity to film and photograph performances. I will request audience members only film and photograph their own children. However, if you do not give permission for your child to be photographed or filmed, please email me before Tuesday 11 February and I will ensure that we manage this carefully on the evening.

There is no dress code for the performers but I have asked for them to make sure that their clothes are both suitable and comfortable to perform in. Please can you discuss this with them and ask me for further advice if they are unsure.

Students should arrive at 6pm and meet in DR1. Refreshments will be served throughout the evening.

Tickets are free and are now available online by using the following link, or from Mrs Lewis in MU2 at break times.

Thank you for your continued support. I look forward to seeing you on Thursday.
Kind regards

Rachel Lewis
