Dear Parent/Carer

Year 11 “Class of 2026” Hoodie

We are excited to announce the launch of a “Class of 2026” leavers’ hoodie. Students will be able to wear this hoodie in place of their school blazer once they are handed out on Mock Exam Results Day.

Many schools offer leavers’ hoodies to Year 11 students towards the end of their GCSE courses. By bringing this process forward and allowing students to wear the hoodies for the remainder of the year, we hope to support a continued focus on learning while fostering a strong sense of pride and belonging within our school community. We also hope this demonstrates how much our students are valued and how seriously we take their feedback.

The hoodies will be available in a range of colours. The design, chosen by students, is shown below. For Year 11, this hoodie will be the only additional garment permitted to replace the SDCC blazer in school. Please note that students will still need to keep their blazers, as these must be worn for both Mock and GCSE examinations.
