Empowering everyone to be the best they can be.

3 October 2025

Dear Parent / Carer

Year 11 Class Changes

As we approach the mock examination period, we are making some adjustments to our English teaching groups to better support students with targeted revision. These changes are designed to ensure that each student receives bespoke guidance tailored to their specific needs, helping them to feel confident and well-prepared. This is a similar approach to last year and has proved successful for student outcomes for the previous three years, with our students achieving higher than national average at all levels.

From Monday 6 October, your child may be working in a different group than usual during English lessons. These groups have been carefully arranged based on current attainment and areas for development. The aim is to provide focused revision sessions that address key skills and content relevant to the upcoming exams.

Please be assured that we will review these changes after the mock examinations. There may be further moves that need to be made in order to support the students the best we can. If you have any questions or would like to discuss your child's progress, please do not hesitate to get in touch.

Thank you for your continued support.

Yours faithfully

Jen French
Head of English
