*Empowering everyone to be the best they can be.*

27 March 2025

Dear Parent / Carer

## **Easter Revision**

Year 11 have worked tremendously hard this term, and we could not be prouder of them. There is a real feeling of togetherness and whilst the opportunity to recharge must be taken, the Easter holidays also provide an opportunity for students to further prepare for the forthcoming exams, as a part of a balanced break.

### **Exam Style Question Papers**

The English, Maths and Science departments have each prepared three exam style papers for students to complete during the Easter holidays. This works out as a total of nine papers, one paper per day, if you exclude weekends and bank holidays, and should take students approximately 8-10 hours to do.

All nine papers will be given to students as a pack of printed hard copies early next week. Students are expected to do all nine papers and hand their completed packs in on the first day back after the holidays. Teachers will mark all papers and use the results to identify any areas of the curriculum where students may need further support.

In addition, the following teachers are offering online revision lessons via Teams:

**Monday 7 April**, 9.00 to 12.30 (with a 30-minute break)

**Science** with Mr McGeever (1 hour each for Biology / Chemistry / Physics)

**Tuesday 8 April**, 9.00 to 11am

**Psychology** with Mr Murray

**Friday 11 April**, 9.00 to 11am

**History** with Mr Whitelaw

**Thursday 17 April**, 9.00 to 11am

**Ancient History** with Mr Axford

### **Homework**

All other subjects will set homework tasks on Class Charts. Students will not be penalised for not doing this work, but it is to be encouraged and will help students with revision in a more structured way. We are incentivising this independent work; students who submit excellent work will be awarded 10 praise points and also entered into a prize draw, where five winners will receive a free prom ticket.

In addition, we would expect students to be revising generally for their up-and-coming public exams that commence on Thursday 8 May. To help students with their revision, you will find comprehensive support information on the revision section of the school website. [South Dartmoor Community College - Revision](#).

Thank you for your support this term. We hope you have a wonderful Easter holiday.

Best wishes

John Bradford  
Assistant Headteacher
