Dear Parent/Carer

## **Changes to Year 11 adapted timetable**

As you will have seen from my previous communication, we have been carefully listening to feedback from our Year 11 students regarding their study and wellbeing needs during the exam season. In response to this, and in recognition of the importance of allowing students greater flexibility with their revision at home, we have made some adjustments to their adapted timetable.

The revised schedule reduces the amount of directed time students are required to be onsite. However, we have ensured that all crucial, last-minute revision sessions remain in place for subjects with an exam the following day. This balance allows students to make the most of their time, both at school and at home, as they prepare for each exam.

I also want to take this opportunity to say how incredibly proud we are of our Year 11 students. Their attitude, focus and maturity throughout this exam period have been nothing short of outstanding. To see them maintaining such determination at this stage of the season is a real achievement and a testament to their hard work and resilience.

Please find the amended copy of the timetable attached for your reference.

Thank you for your continued support.

Best wishes

Mr R Munro  
Head of Year 11
