Empowering everyone to be the best they can be.

16 June 2025

Dear Parent/Carer

Re: Final week of Year 11

As we come to the end of Year 11 and approach the final days of your children's time at South Dartmoor, I wanted to take a moment to write to you personally.

It has been a genuine privilege to be Head of Year for this wonderful group of young people over the past four years. Watching them grow, mature and develop into the individuals they are today has been incredibly rewarding. I have seen them navigate challenges, celebrate successes and support each other with resilience, humour and compassion. They have shown remarkable character and spirit, and I could not be prouder of them all.

This week marks the end of a significant chapter in their lives, and I know it will be filled with a mix of emotions: excitement for the future, pride in how far they have come, and perhaps a few nerves too! It is also a milestone for you as parents and carers, many of whom I have had the pleasure of working with and getting to know along the way. Your support and encouragement have been vital in helping us guide them through their secondary journey, and for that I am very grateful.

As they move on to their next steps, whether that is Sixth Form, College, apprenticeships or other adventures, I have every confidence they will carry with them the values and lessons that have shaped them here at South Dartmoor. I am very much looking forward to sharing final celebrations with them at Prom and during their leavers' assembly, and I hope to see many of you at Prom drop-off too. It is always a lovely moment to share.

We will be welcoming both parents and students back into school on **Thursday 21 August** for Results Day, where we can celebrate their achievements and look ahead to what comes next. Thank you for entrusting us with their care and education over the last five years. They are a special year group and I really will miss them all. It has truly been an honour.

With my very best wishes for the future,

Mr R Munro
Head of Year 11
