Dear Parent / Carer

## **Work Experience Monday 14 July to Friday 18 July 2025**

As part of our work experience programme taking place next week, the school has arranged a series of activities for your son / daughter. The purpose of this week is to provide students with opportunities to develop key skills and begin exploring potential future pathways.

Please find below a provisional timetable for the week. On Thursday, students will visit Access College in Plymouth to learn more about the courses and opportunities available there. Parental consent is required for this trip, which can be provided via ParentPay.

Additionally, on Wednesday, students may have the opportunity to visit a local farm. Should this visit go ahead, consent will also be required through ParentPay.

We appreciate your continued support in helping us provide valuable experiences for our students.

### **Work Experience Plan (14-18 July 2025)**
