Empowering everyone to be the best they can be.

21 January 2026

Dear Parent / Carer

Year 11 Revision Evening

I would like to remind you of our information evening on **Thursday 29 January**, from **17.00 to 18.30**. The evening will offer you and your child an opportunity to find out the best ways to prepare for the spring mock examinations and the summer exam series, with subject teachers giving presentations and individual advice. In addition, Abi Slater will be available to provide further information about our Sixth Form, and Julie Randall will be available to offer advice on careers and next steps.

You will be given a revision pack upon arrival. This will contain a personalised revision timetable that also highlights the additional lunchtime and after-school support sessions and masterclasses available each day. Your son/daughter received a hard copy of this yesterday. The pack will also include useful information such as subject-specific revision top tips and QR code links to our website, directing you to further exam and careers information, advice from former Year 11 students and guidance on applying to the Sixth Form.

This evening will be a very valuable opportunity to learn more about preparing for the Year 11 Spring Mock Exams, which start on 30 January. They will last for approximately two weeks, with reports and mock results sent home during the week beginning 9 March. Rank Order information will also be updated after the Spring Mock Exams.

Provisional GCSE Examination Dates

The summer exam series will begin on 7 May and end on 17 June 2026, with the Year 11 Leavers' Events and the Prom taking place on 18 June 2026. Results Day will be on Thursday 20 August 2026, with more information to follow nearer the time.

I very much look forward to welcoming you next Thursday, 29 January. Please follow the link or QR code below to confirm your attendance in order that we can prepare refreshments. I hope this evening will offer you valuable information and support.
