Empowering everyone to be the best they can be.

12 February 2026

Dear Parent / Carer

Year 11 English

As we move forward following the recent Year 11 mock examinations, we will be making some minor adjustments to teaching groups. These small changes are designed to ensure that every student is placed in the group that will best support their progress in the lead-up to the summer exams.

Our priority is to match students with the most appropriate teaching staff and learning environment for their needs. By doing so, we aim to maximise the support each student receives as they work towards achieving their potential.

We understand that stability is important, especially at this stage in the year, and we will keep any disruption to a minimum. All decisions have been made carefully and with students' best interests at heart.

Thank you for your continued support. If you have any questions or concerns, please do not hesitate to contact us.

Yours faithfully

Jen French
