Empowering everyone to be the best they can be.

20 March 2026

Dear Parents and Carers

As we approach the final stage of preparation for the GCSE English examinations, we would like to remind you that there are now only five school weeks remaining until students sit their first exam. This is a crucial period and consistent revision will make a significant difference to their confidence and performance.

Students have already been provided with a wide range of revision materials, all of which can be accessed via the Year 11 Teams Channel. These include practice questions, model responses, knowledge organisers and guidance for both Language and Literature papers.

At this stage, we expect all home learning to be completed in full, alongside additional independent revision. Regular practice—whether using flashcards, completing past papers, or revisiting class resources—will help strengthen their skills and improve their exam readiness.

To further support students during this busy period, weekly 'Revision Clinics' take place every Thursday and Friday during Break 2. These sessions will be run by Miss Hutchinson in B4. Mrs Chambers will also be running a series of clinics upon her return from maternity leave. These sessions are an excellent opportunity for students to ask questions, consolidate their understanding and receive targeted support.

Thank you for your continued support.

Kind regards
Mrs J French
Head of English
