Empowering everyone to be the best they can be.

2 April 2026

Dear Parent / Carer

Y10 English Groups

As we approach the Easter break, I am writing to inform you about some upcoming group changes for our Year 10 students that will take effect after the holiday.

In the lead-up to the Year 10 mock examinations, it is essential that we provide the most targeted and effective preparation possible. To support this, we will be streamlining teaching groups to ensure that every student is working with the most appropriate member of staff and at a pace that best supports their learning. This will help us maximise focus, address individual needs more precisely and secure the best possible outcomes for all students as they move into the final phase of Key Stage 4.

Please be assured that all students will continue to receive a consistent and high-quality curriculum diet, regardless of any group adjustments. The changes are designed purely to strengthen the alignment between students' current progress and the teaching expertise they require at this stage.

We appreciate your support in helping your child engage positively with these changes. If you have any questions or would like further information, please do not hesitate to contact me.

Wishing you a happy Easter.
