Empowering everyone to be the best they can be.

19 May 2026

Dear Parent / Carer

Year 10 Literature Mock – AI Marking Pilot

For the upcoming Year 10 English Literature mock examinations, we are trialling the use of AI technology (via No More Marking) to support the marking process.

Students will complete their exams as normal. Their papers will then be scanned and securely uploaded, where AI will provide an initial mark. Teachers will check and review responses flagged by the system and moderation will ensure accuracy before results are finalised.

This is a pilot project designed to explore whether AI can support accurate marking while maintaining high standards.

Key information

- AI supports marking but does not replace teacher judgement
- All results are checked and moderated by staff
- The process can revert to traditional marking if needed
- Work is anonymised, handled securely and deleted after processing

Consent

Participation is optional. If you would like your child to opt out, please email kchambers@southdartmoor.devon.sch.uk by Friday 5 June. Students who opt out will have their work marked in the usual way.

If you have any questions, please do get in touch.

Yours faithfully,
Kate Chambers
Deputy Curriculum Leader for English
