*Empowering everyone to be the best they can be.*

10 June 2026

Dear Parent/Carer,

## **AI Escape Room Student Experience. Thursday, 25 June 2026 @ Ivybridge Community College.**

We are excited to share that your child has been selected to represent SDCC at the Ed360: AI Escape Room Student Experience, taking place on Thursday, 25 June 2026 at Ivybridge Community College. This invitation recognises your child's hard work and contribution to the SDCC community, and we are delighted to offer them this opportunity to participate in an innovative learning experience focused on artificial intelligence (AI).

### **About the event**

The AI Escape Room is an immersive, team-based activity designed for pupils aged 9–13 years. Working collaboratively, students will explore key themes such as online safety and digital responsibility, algorithmic bias and ethical decision-making, and data ethics and responsible use of technology. The activity will run from 9:00am to 4:00pm. Pupils have been carefully selected as those who are likely to enjoy and benefit from a fast-paced, problem-solving experience.

### **Transport and supervision**

Transport will be provided by SDCC to and from Ivybridge Community College, and pupils will be supervised by SDCC staff throughout the visit. Further details regarding timings and arrangements will be shared once attendance is confirmed. Please note that the event finishes at 4:00pm, so collection from SDCC will be required at approximately 4:30pm.

Please be aware that photography and videography will take place during the event, and pupils may appear in event-related or promotional materials.

### **Next steps**

To confirm your child's place, please complete the consent form via ParentPay by Monday 22 June 2026. We appreciate your support in encouraging your child's participation, and we hope your child enjoys this unique opportunity and that you share in their excitement.

Thank you for your continued support.

Yours sincerely,

Emma Gallagher  
Deputy Headteacher
