Empowering everyone to be the best they can be.

23 July 2026

Dear Parent / Carer

TRP – Get Technical Workshop: Moulin Rouge

We are excited to share with you an opportunity available to Y11/Sixth form Drama, Dance and Performing Arts students. The Theatre Royal Plymouth (TRP) has been offered an opportunity to host a Get Technical workshop by the company who are putting on their upcoming run of *Moulin Rouge! The Musical* on Tuesday 8 September 2026.

It is a really unique opportunity to attend a technical demonstration on how the show is brought to life, how it is rehearsed and prepared for performance.

We have secured 50 tickets and we need to fill the spaces to make the trip viable – initially, this opportunity will be open to the Y11 and Y12/13 students. We kindly ask that you fill out the consent form on ParentPay and pay the contribution of £10 by Wednesday 2 September to secure your child's space. After this date, any remaining seats will be offered to incoming Y10 Drama and Dance students.

Students will leave site at lunchtime and return after the workshop. Please advise your child to eat their food at first break or bring a packed lunch with them to eat on the coach. Please also arrange to collect your child from SDCC at approximately 4.45pm.

Here's a short clip demonstrating the Get Technical Workshop:

<https://www.youtube.com/watch?v=MawW7-kjLUU>

This will be an invaluable experience for students to understand the inner-workings of a professional production and the work that goes into getting a show ready. These skills greatly benefit both students' appreciation of their performative subjects but also inspire and motivate them to find out more about the careers available to them in the theatre. We never want finance to be a barrier to attendance, so please contact Miss Small or Mrs Slater if you have any concerns or any additional questions.

Yours faithfully,

Amy Small
Teacher of Drama

Abi Slater
Teacher of Dance
Head of Sixth Form
