Dear Parent / Carer

Ten Tors Challenge 2027 – Information Evening

Your child has expressed an interest in taking part in the Ten Tors Challenge 2027 as part of the South Dartmoor Community College team.

Ten Tors is a challenging and rewarding outdoor event run by the military on Dartmoor. South Dartmoor Community College has a strong history of participation in the event and students who take part will complete a programme of training walks and overnight camps in preparation for the challenge.

Before students formally sign up for the training programme, we would like to invite interested students and their parent/carer to an information evening:

Tuesday 13 Oct
5:00pm - 6:00pm
Sixth Form Centre, South Dartmoor Community College

The meeting will provide an overview of the Ten Tors 2027 programme, including the training commitment, proposed training dates, equipment requirements, costs, team selection process and expectations of students.

There will also be an opportunity to meet members of the Ten Tors team and ask any questions you may have before deciding whether your child would like to take part.

As Ten Tors requires a significant commitment from both students and their families, we ask that the interested student attends the meeting with a parent or carer.

We hope to see you on Tuesday 13 October and look forward to introducing you to what should be an exciting and rewarding Ten Tors season.

Yours sincerely,

Mr Richards
Ten Tors Manager
