Empowering everyone to be the best they can be.

2 October 2026

Dear Parent / Carer

Year 11 Information Evening and Futures Event – Thursday 15 October, 5.00pm

Following our recent letter regarding the Year 11 Information Evening, we have received feedback from a number of parents and carers that Exeter College will be holding its Open Evening on the same date. We recognise that this would make it difficult for many families to attend both events.

In response to this feedback, we have made the decision to move our Year 11 Information Evening to **Thursday 15 October at 5.00pm**.

The Information Evening will be specifically for parents and carers, as students will already have received the relevant information through school. During the evening, we will share key information about the year ahead, including the upcoming mock examinations, revision and how you can best support your child as they work towards their GCSEs.

There will also be an opportunity to speak with staff and ask any questions you may have about the year ahead.

We hope that moving the event will enable as many parents and carers as possible to attend, while also allowing those wishing to attend the Exeter College Open Evening to do so.

We look forward to welcoming you on **Thursday 15 October at 5.00pm**.

Best wishes,

Ross Munro
Head of Year 11
