Dear Parents/Guardians

I am delighted to let you know that we are reforming the 'Friends of South Dartmoor Association', affectionately known in the past as FOSDA. The aim is to form a large body of positive parents, who are keen to support the school to help make it the best environment that we can for the education of your children.

Supporting the school through FOSDA could take many forms – this might be through assisting with fund raising initiatives, but could also be using your knowledge or expertise in a particular area, which might assist the College in some way.

In the first instance, I would be grateful if you could email me your interest in being part of FOSDA on [sdinnie@southdartmoor.devon.sch](mailto:sdinnie@southdartmoor.devon.sch). You can just state that you would like to be part of a Friends of South Dartmoor Association, or you may wish to offer a particular line of expertise that you feel you could contribute to the College.

Many thanks for taking the time to read this letter, and please do contact me on the email address above to express your keenness to get involved.

Yours sincerely,
