Monday 19th November

Dear Parents/Guardians,

With the first half term complete, we're really hoping your child is enjoying their time at the LEC as much as we're enjoying teaching them. It's another great group of students who have settled in really well with one another and are engaging brilliantly with the learning challenges and opportunities being offered.

We're always keen to hear from both students and parents about their experiences of the department and any feedback regarding what works well and of course any suggestions for improvement. To that end, I attach a short feedback form which we would love you to send back to us so we can continue to ensure the quality of the LEC provision this year. This term, the college is also carrying out a full review of the provision so it is a particularly important time to hear the voices of our parents to ensure we are delivering the very best support for your child.

Receiving responses by **Friday 23rd November** would be very much appreciated. The feedback form can either be printed and completed by hand (and then handed to myself or James) or completed on computer and emailed to cturley@southdartmoor.devon.sch.uk. As always, please do not hesitate to contact me using the same email address or on 01364 652230 ext. 353 with any questions or concerns.

Warm regards,

Chris Turley
Learning Enrichment Leader
