

28th November 2018

Dear Parents and Carers

Christmas Tutor Trip - 11 PLR Tutor Group

The tutor group and I would very much like to have an evening of fun together in which we can all get to know each other a little better and enjoy a bit of respite from exams! They have been working hard on their mock exams over the past couple of weeks and we felt that this may be a nice way for them to relieve some of the pressures that being a responsible year 11 bring. The proposed activity is bowling and dinner in Exeter, a trip that I have run successfully on many occasions before. It is always a brilliant evening and a really great way for the group to build positive relationships. The cost of the evening is a little more expensive than usual at £20 per person due to the time of year however, this does cover bowling, transport and a two course meal from the Christmas menu at the lovely Waterfront Restaurant in Exeter. So to outline:

- Activity:** Bowling and Dinner
- Date:** Tuesday 11th December
- Staff:** Mrs L Palmer and Miss A Cowell
- Travel Arrangements:** Leave College at 4.00pm and return by 8.30pm.
- Uniform:** College uniform will **not** be required but comfortable footwear and a warm waterproof coat will be.
- Food:** The Waterfront restaurant in Exeter (www.waterfrontexeter.co.uk) This is included in the cost.

If you wish for your son or daughter to take part in the trip, please logon to www.parentpay.com to make your payment and complete the consent form by Friday 30th November. Should you require any help or advice on accessing the site, please do not hesitate to contact our Finance Team on the telephone number above.

Thank you for your continued support.

Yours sincerely
